## OBJECTIVE

Experienced restaurant manager with a keen eye for detail and a strong affinity for numbers, seeking to leverage analytical skills to drive community-focused change as a Data Analyst and Operations Assistant for the city of Baltimore. With a passion for economics, statistics, and public policy, I am committed to promoting equitable and accessible community development through the power of data. With a proven track record of success in fast-paced environments and the ability to solve complex problems, I am excited to apply my communication skills and work experience to make a meaningful impact in the city.
